### **B- Grade ES-A Series PV Panels**

To Whom It May Concern,

This letter confirms that all Evergreen Solar ES-A Series B-Grade PV panels are fully covered by the standard Evergreen Solar 25 year Limited Warranty\*.

The long term performance, reliability and integrity as well as the lifetime of B-Grade panels is identical to that expected from A-Grade panels.

The only difference between and A-Grade and B-Grade panels is that B-Grade panels contain minor optical defects that have no influence on the performance, reliability, integrity and lifetime of the panel.

We wish you every success with the ES-A Series panels from Evergreen Solar.

Best Regards,

A handwritten signature in blue ink that reads "Ian Gregory". The signature is fluid and cursive, with a long horizontal stroke at the bottom.
